Following is the third list of name changes proposed for preoccupied names in the family Bombyliidae.

- Villa myximyia*, new name for *Villa muscaria* (Coquillett) 1892: 178 (as *Anthrax*).  
Preoccupied by *Villa muscaria* (Pallas) 1818: 13 (as *Anthrax*).  
*Villa philippii*, new name for *Villa vitripennis* (Philippi) 1865: 671 (as *Anthrax*).  
Preoccupied by *Villa vitripennis* (Loew) 1860: 217 (as *Anthrax*).

*Neobombylodes*, new name for *Bombylodes* Paramonov 1940: 65. Preoccupied by  
*Bombylodes* Fauvel 1904: 43 in Coleoptera. It is interesting to note that *Bombylodes* Fauvel was a new name proposed for *Bombylius* Fauvel which is preoccupied by *Bombylius* Linnaeus in the Bombyliidae.
